Fear

The heart beats;

Stops the blood solemn flow.

Rigidity of the bone becomes flexible.

Panting becomes breathing.

Like God is anything you fear.

Like an Hill towards your way.

Like an hinderance by your path;

Is fear to one who abodes Him.

Princes becomes slave;

Internally they got convicted.

The mighty falls into His force of captivity.

The Wise is sold into panting custody.

Listen to the advice of my pen!

Oh! low self esteem fellow.

No more succumb to Him;

Else, you are a slave of all .
